

# NIMS/MANA – Flinders University Joint Symposium on Nanoscience and Nanotechnology

**14:00~ 17:00 on October 31, 2011**

**Seminar room 431-432, 4F, MANA Building, Namiki Site, NIMS**

---

- 14:00**      **Welcome address**  
**Masakazu Aono**, Director-General      (MANA, NIMS)
- “Interface Engineering for Nanotechnology, Biosensors, Membranes and Water treatment”*  
**Amanda Ellis**      (Flinders University)
- “Transmission Electron Microscope as a Tool for Nanomaterial Property Studies”*  
**Dmitri Golberg**      (MANA, NIMS)
- 15:15-15:25**      **Coffee break**
- “Atomic switch technology for beyond von-Neumann Computers”*  
**Tsuyoshi Hasegawa**      (MANA, NIMS)
- “Interface Engineering for Nanotechnology, Energy, Harvesting and Corrosion Protection”*  
**Gunther Andersson**      (Flinders University)
- “Smart Polymer Design for New Biomaterials”*  
**Takao Aoyagi**      (MANA, NIMS)
- 16:55**      **Closing remarks**  
**Kohei Uosaki**      (MANA, NIMS)
