

# The International Conference on Nanophotonics 2010

## Submission-1

### Important Dates

~~The deadline for summary submission has been extended to : February 15th , 2010.~~

~~The acceptance date: March 10th , 2010.~~

~~The deadline for full paper submission: May 20th, 2010.~~

### Summary Submission Requirements:

~~1-page summary is requested.~~

~~[Click here](#) to down-load the pdf template for summary.~~

~~[Click here](#) to down-load the word template for summary.~~

~~All the styles for completing summary are indicated in the template.~~

~~For submission, please enter the REGISTRATION page at the end of this site.~~

~~Accepted summary will be included in the Conference Proceedings.~~

### Presentation Style

~~There are oral and poster presentation styles. You may choose either one in the REGISTRATION page or leave it to the committee.~~

### Awards

Awards for Best Poster Papers and Best Student Papers will be organized.

Best Poster Paper Awards are announced and presented at the conference banquet (Wednesday evening, June 2nd, 2010).

Best Student Paper Awards are announced and presented after all the presentations of the student papers are finished, i.e., either at the banquet or at the closing session (noon, June 3rd, 2010).

Best Student Paper Awards are selected among the students who will present their oral and poster papers by themselves. Applicable students who would like to be awarded are encouraged to notify Dr. K. Asakawa at [ASAKAWA.Kiyoshi@nims.go.jp](mailto:ASAKAWA.Kiyoshi@nims.go.jp) of the following information:

- Name
- Presentation number, O-xx or P-A(B)xx,
- ID number (5 or 6 digits)
- Title

by Tuesday, May 25, 2010. The awards will be selected by the reviewers.

### Publication of selected full paper

For the accepted summaries, the authors are encouraged to submit a full paper manuscript. The style manual for the manuscript will be announced with acceptance of the summary.

## Submission-2

~~The deadline for full manuscript submission is May 20th, 2010.~~

The deadline of the full paper submission has been extended to Thursday, June 10, 2010.

After peer review, selected manuscripts will be published in the Journal of Nonlinear Optical Physics and Materials (JNOPM), which is an international journal in English and is indexed by both SCI and EI.

Publication will be due by December, 2010.

### **Formating information and template of the paper**

Click here for journal formatting information and template.

<http://www.worldscinet.com/jnopm/mkt/guidelines.shtml>

The length of each article should not exceed 6 journal pages.

IMPORTANT! Please send your completed manuscript to [ASAKAWA.Kiyoshi@nims.go.jp](mailto:ASAKAWA.Kiyoshi@nims.go.jp).

~~The deadline for manuscript submission is May 20th, 2010.~~
