Yes

If yes, please give us more details: when, university name

***17. How did you get to know about this program?**

Presentation at conference by prospective supervisor

If other, please specify:

MONO Workshop in 2024 summer, Japan

*18. Please read below and click the checkboxes.

I understand that Joint Graduate School Program consists of two applications.

- 1: Application for **NIMS Graduate Research Assistantship** (this form)
- 2: Application for **Admission to University** (Required)

I understand that **university application/admission require,**

- 2-2: Applicants may submit official original English Score sheet itself at the time of university application.
- 2-3: Applicants must pay the application screening fee themselves at the time of university application.
- 2-4: Applicants must pay the admission fee and tuition fee to the university before/after entering university. (Amount of the fee can refer to the university application guideline or website.)

I have already contacted the prospective supervisor in NIMS.

I declare that the details provided in this entire application are true and correct, and contain no research frauds in any particular.

Taro NIMS
