

The 214th **MANA & ICYS** The 94th
Joint Seminar

15:30-16:00 **Dr. Tianyou Zhai** (*ICYS-MANA Researcher, NIMS*)

One-Dimensional CdS Nanostructures: From Synthesis to Applications
Chair: Dr. Yoshio Bando

16:00-16:30 **Dr. Xudong Yang** (*ICYS-Sengen Researcher, NIMS*)

Lost Charges from Short-Circuit Photocurrent in Dye-Sensitized Solar Cells with High Open-Circuit Voltage Chair: Dr. Kunie Ishioka

16:30-17:15 **Prof. Ryo Yamada** (*Division of Materials Physics, Graduate School of Engineering Science, Osaka University*)

Charge and spin transport through single molecular junctions - experimental studies-
Chair: Dr. Kohei Uosaki

Venue: Seminar Room #431, MANA Bldg.,

Date: **July 15th Friday** **Time:** **15:30-17:15**

Contact: International Center for Materials Nanoarchitectonics (MANA), Nakayo Nakata (ex. 8806)
