

Guidelines for the NC-AFM 2014 Abstract

Presenting author's name (e.g. Bruce Wayne)¹, Second author's name², ...

¹*First author's affiliation, City, Zip code, Country;* ²*Second author's affiliation, City, Zip code, Country;* ...

E-mail: Presenting Author's e-mail address

The abstract should be written **in English** and within **one-page limit**. Please follow the format and style described in this template. The formatting (line spacing, margins, fonts etc.) should be followed strictly according to this template.

Please use A4 (210 mm x 297mm) paper size. The abstract should not exceed one A4 page, including figures, with page margins of 25 mm all around. Use font type **Times New Roman**, with single spaced lines.

Title of the contribution (14 points, bolded) is followed by one blank line. The presenting author's name should be underlined. Author's affiliations (12 points, italic, centered) and **email address of the presenting author** are written in separate rows.

Abstract text (12 points) in paragraphs is not indented. References to published works are not required, but if necessary, they should be indicated in the text in brackets [1], listed at the end of the abstract (12 points), and including minimal information (see the example below). Figures, if any, should be placed preceding the references list. Each figure should have a succinct figure caption (10 points) that beginning with a figure label (10 points bolded), that will be included within brackets when calling the figure within the text [Fig. 1].

Acknowledgement may be addressed as the last paragraph of the text body.
