[Asahi Breweries, Ltd.,]

As Japan's leading total alcoholic beverage provider, Asahi Breweries operate on a scale second to none.

Moving well beyond its alcoholic beverage businesses, the Asahi Breweries Group continues to branch out in the fields of Food and Health. By introducing products that facilitate healthier, happier lifestyles, the Group profits both consumers and itself.

The beer masters sample the finished beer. The sensory test at Asahi Breweries gives the final assurance that every lot of beer shipped out will satisfy the customer's expectations.

[KAGAMI CRYSTAL CO. LTD.,]

Kagami Crystal Co., Ltd. established by Kozo Kagami, opened Japan's first crystal glass factory in 1934. Since its foundation, the company has developed advanced glass-making skills and techniques, including hand glassblowing, manual cutting and engraving, to fashion its range of original and high-quality glass products. Our highly skilled craftsmen combine technical skills and artistic passion to produce the finest and most detailed works of crystal glass art.
