

Nitin Kumar

CEO, Nuron

Dr. Nitin Kumar is CEO of Nuron Labs <<https://nuron.io/>>. Nurons Scientific Data Platform uses Artificial Intelligence and Machine Learning to provide scientists and engineers deep insights into their scientific data. The deep insights from organizations "Scientific Brain" can be used for automated decision-making for discovering new materials and processes in R&D and manufacturing.

Before founding Nuron Labs, Nitin spent 12 years discovering new materials for semiconductors, glass, and photovoltaics industries at Intermolecular Inc. Before joining Intermolecular, Nitin was a scientist at Massachusetts Institute of Technology and Carnegie Mellon University. Nitin holds a Ph.D. in Chemical Engineering from the City University of New York, and a B.Tech. In Chemical Engineering from Indian Institute of Technology, Kanpur. Nitin also holds a LEAD certification from Stanford School of Business.
