

## **Currency / Payment**

Japan has four kinds of banknotes (1,000 yen, 2,000 yen, 5,000 yen, and 10,000 yen) and six kinds of coins (1 yen, 5 yen, 10 yen, 50 yen, 100 yen, and 500 yen). Many shops and restaurants accept credit cards. Also, there are more stores that accept other payment instruments (debit card, e-money, and QR code or barcode).

Please check for details on the Bank of Japan website.
